

Northpoint Parents and Guardians,

This information is for those parents and guardians who have a child returning to school in the hybrid format. We will return to hybrid on Monday, January 11th for A day (Monday/Thursday in-person) students, and Tuesday, January 12th for B day (Tuesday/Friday in-person) students. School hours are 7:45-2:10. ***We are adjusting our staggered arrival, all walkers and parent drop off students can arrive at 7:45am.***

Before your student leaves for school, please certify each child is well, using the Unit 5 Safe app! If you do not certify each child, we have to remove your child from class and call you with the certification questions. When you use the app please use your child's full name as it is in Infinite Campus or it will cause an error in the report. Thank you for your help with this!
