

## McLean County Unit District No. 5

1809 West Hovey Avenue  
Normal, IL 61761-4339

Dear Parent or Guardian:

The Certificate of Child Health Examination form must be **completed BEFORE** your student can begin **KINDERGARTEN**. On the back of this letter are the State of Illinois physical and immunization requirements.

**\*Please turn this form in no later than Monday, August 2, 2021.**

If this form is not on file at the school & reviewed for completion by the school nurse **BEFORE THE FIRST DAY OF SCHOOL**, your child will not be allowed to attend class. We highly recommend that you turn in the completed form as soon as possible to avoid **BOTH YOU AND YOUR CHILD** waiting in the office on the first day of school to have the physical and immunizations reviewed by the nurse.

Please take a few minutes to familiarize yourself with all parts of this certificate and be certain **BOTH sides are filled out completely. It will only be accepted by the school when all three sections are completed.** Keep a copy of this form for your own records.

1. **IMMUNIZATIONS** - to be completed by a health-care provider. When any immunization is given, it must be verified by a signature and dated **ONLY** by a doctor, nurse or other health-care provider.
2. **HEALTH HISTORY** - to be completed by the parent or guardian, signed and dated.
3. **PHYSICAL EXAMINATION** - The examination may be performed by physicians licensed to practice medicine in all of its branches, advanced practice nurses who have a written collaborative agreement with a collaborating physician which authorizes them to perform health examinations, or physician assistants who have been delegated the performance of health examinations by their supervising physician. The physical examination may be completed any time within one calendar year prior to the first day of school.

Please also be aware that a **DENTAL EXAM** and a **VISION EXAM** (completed by an eye doctor) are required by the State of Illinois for students entering **KINDERGARTEN**.

Sincerely,

Kelly M. Cole RN, BSN, M.Ed.
