Prairieland School Wide Discipline

- Prairieland uses a school-wide computer based program called, DOJO. Students are provided instant positive and negative reinforcements, based on behavior. Students love this program! There will be lots of incentives in class and school-wide to keep this a fun, productive program. Clipboards will continue to follow students to their area classes.

Subject areas in 4th Grade

- Math Workshop- Encompasses math boxes, whole class/partner/individual activities, games, daily math practices and DOM quizzes on Fridays. Please see IXL/Xtra math login information in assignment notebook.
- Language- Language will consist of both a reading and writing workshop component. Students will be introduced to mini-lessons, will have some independent work time, and will come back to conference with their teacher for share time. There will be a lot of reading and writing in 4th grade. Please see handout.
- Spelling- Unit 5 has adopted the Words Their Way program. There are many activities to assist with words at home and school. Please see handout.
- Science- Encompasses energy, plant and animal structures, and changing earth in STEM related activities.
- Social Studies- Encompasses regions of the United States.
