

COVID INFORMATION

(as of 8/18/2022)

Parents no longer need to test their student for any 1 symptom of COVID-19.

- Given your family's personal circumstances & your student's symptom(s), decide if a COVID test is indicated for your child or not. If you are uncertain, consult with your child's doctor.
 - If the test is positive, let me know by submitting a "[Student Positive COVID Reporting Form 22-23](#)". This will generate a form letter giving you further information AND your students Return to School Date.
 - If the test is negative, please follow our [handbook advice](#) when deciding to send your student to school or not. Parents do NOT need to send me a negative COVID test in order to return to school.
 - Always consult your student's doctor with any questions you have.
- No Cost COVID tests may be obtained from your pharmacy or mailed to you from the United States government. [Currently, you may order 8 tests per person, per month.](#)
