

In honor of our 20 year celebration, Prairieland is starting it's path of memories. Each brick or stone will line the existing path in the current butterfly garden area. Students and parents love to wander through this area and this will be something that can commemorate your family's time here at our school. These orders will be ongoing from this point forward so if you decide you want to place an order at a later time you can utilize this form and return to the office. Thanks for the memories!!

## **Ordering Instructions:**

Select your size,

4x8 \$50 (two lines) 8x16 \$100 (four lines)
