

# The Wonderful 5H Newsletter

## February 2014

### Science

We just got done reading about Chapter 9. We learned about the Earth and the environment. We are about to make a fact poster about volcanoes, tsunamis, tornadoes, and earthquakes.

### Math

We are working on our math journals. We are also talking and working with fractions. We have also been reviewing math concepts to get ready for our ISAT test.

### Social Studies

We just got done talking about facing Slavery. We learned that people who had different skin colors got treated differently. Our next thing we are doing is talking and reading about the 13 Colonies.

Oakdale Elementary  
601 S. Adelaide  
Normal, IL 61761

## Reader's Workshop

We are going to be reading about Rosa Parks, for Black History month. Daily we read our Reader's Workshop books and write reading responses about the books we read. Every day after Intervention we listen to Percy Jackson.

## Writer's Workshop

We are working in groups on scripts and interviews. We are basing our interview off of books and characters we have read. Our writing assessment for expository writing is the week before break. We just got done writing a "How-To" paper. Everyone picked something and explained how to do it.

### Good Books to Read

Maximum Ride-James Patterson

Miracle on 49<sup>th</sup> Street-Mike Lupica

The Book Thief-Marcus Zusak

Among The Hidden-Margret Peterson Haddix

Wonder-R.J. Palacio
