Please note this event is only for families who are unable to register online. There will not be an option of building tours or decorating lockers at this event.

Furthermore, in adherence to COVID guidelines and health protocols, please be aware of the following event expectations:

- Masks are required to be worn by individuals in the school building.
- One adult family member is allowed to come to the event. Students do not need to attend unless their parent or guardian deems it necessary. Please do not bring other children into the building.
- Social distancing will be required in the school building.

Families new to Unit 5 should call 557-4850 to set up an in-person registration appointment. New student intake meetings will be scheduled for August 11-13.

We know that you have many questions and concerns about the 2020-21 school year. In the coming weeks and days we will have more information to share on Chiddix specific procedures and timelines. Even in these uncertain times, our goal is to create a safe and welcoming educational environment for all of our students.

Be Well,

Jim Allen, Principal
