

Please pass along this document via email and other avenues to any alumni or interested participants. We thank you greatly for doing so. It is difficult for us to reach-out to everyone; your forward is tremendously helpful.

Dear Normal Community Football Alumni,

It is with tremendous thanks and humility that we reach out to you in this regard. Our program thanks you for the time that you have committed to it in whatever capacity that may have been. We are blessed to have had unbelievable community members, parents, administrators, coaches and especially players lead our football program since its inception. With that level of high commitment, our program at NCHS has established itself as one of the top-15 all-time winningest programs in the state of Illinois (just recently passing BHS on the list). We have nine banners of top eight finishes in the state, which is impressive to say the least. Our players learn of the high level of standards and expectations set forth by many, many Ironmen before them. Our program teaches to be unselfish and play for the "N" on the helmet; it is a part of who we are.

With all that being mentioned, **we believe that our NCHS Football Stadium does not accurately reflect our tradition and history.** When a viewer arrives at our stadium, there is very little presentation of the notion of teamwork along with the sweat and tears that have been a part of our program dating back for decades. It is our belief that moving forward as a community of people we need to celebrate what has happened in Normal Community Football. We want alumni to appreciate new features that the stadium has to offer. We want alumni to understand that they are the backbone of who we are, and who we continue to be. We want to honor our alumni and create a better environment to teach our student-athletes.

In order to make some of these exciting, historical additions to our facility, we will need donations. A little bit can go a long way. The amount of money raised will dictate the extent of the development of our stadium. We certainly want to add color to our stadium in terms of the press box and home stands. We want to add beautiful landscape areas. We want to hang large weatherproof plaques along the fence of our great, memorable teams. We want to name the walkways after our legendary coaches. The list of ideas becomes grander such as monuments, pictures of moments in history, etc. We want a place where alumni can be proud to visit and be proud to believe they have been a part of building our history.

In order to donate please visit this link: <https://unit5.revtrak.net/nch/#/v/nch-donation>. In the notes/comments section please provide your name and FOOTBALL so the monies go towards the proper account. At the end of the transaction you can print a receipt for your records in regard to tax deduction purposes. Thank you for your time and consideration.

Thank you
Dan Murrin
Assistant Football Coach

Thank you
Jason Drengwitz
Head Football Coach
