

JUNIOR HIGH LUNCH INSTRUCTIONS

Steps to prepare for your visit to Junior High School

FOOD SERVICE ACCOUNT

Each *family* has a food service account. Deposits are made to that account, and the price of all family members' meal purchases - at elementary, junior high, and high school - are subtracted from it. **If you would like separate accounts for each family member, call the food service office at 557-4437.**

At the junior high schools, cash or check deposits placed in the lunch room drop box by 9:30am will be entered in your account before lunch. Online deposits made via RevTrak are processed in real time, and funds are available as soon as the payment appears in Skyward Family Access. Any balance remaining in your account at the end of the school year will roll over for next school year.

GOING THROUGH THE LUNCH LINE

1. **You must have money in your account to purchase a lunch or any a la carte items. Cash is not accepted in the lunch line.** If you qualify for free meals, you do not need to deposit money unless you want to purchase a la carte items in addition to lunch.
2. Choose the items you would like for lunch. There are several lunch options available for \$2.05:
 - Hot lunch listed on the menu
 - Cold sandwich (lunch meat or PB&J)
 - Ropp cheese curds with pita chips
 - Fruit & yogurt parfait
 - Bagel with cream cheese

Signs are posted listing what is included with each lunch choice. Included with all lunches are 2 vegetables, 1 fruit, 4 oz. juice cup, and milk. Additional food and beverage items may be purchased a la carte (see list below).

3. At the end of the serving line
 - Enter your 5 digit PIN number using the keypad
 - Press the Enter key
 - Say your First and Last name

Entering your PIN number will bring up your account on the cashier's computer. Saying your name allows the cashier to verify your identity. PIN numbers will be given to you on the day of your junior high visit. ***Please do not to share your number with anyone.***
