

Junior High Meal Program Information

McLEAN COUNTY
UNIT DISTRICT NO. 5
Food Service Department
309-557-4437

Food Service Account Balance

Before school starts on **August 17** please check your child's food service account balance using Skyward Family Access. Log in using your head of household's username through the Family Access link on the District website at www.unit5.org

Junior High students must have money in their food service account in order to purchase a meal or a la carte items. If your child has a negative balance, they will be offered a substitute lunch and charged for the cost. If you would like to set up payments for a negative balance, contact the school office where your student attends.

Payments may be made by credit card in Family Access using the RevTrak service. Funds are available immediately. Payments may also be made by cash or check at your student's school via the drop box in the serving room door in the cafeteria. If received by 9:30am it will be deposited before lunch the same day. Please include the following on the deposit envelope: student's legal name, head of household's full name, and the amount to deposit.

Low Balance Alert

An email reminder can be sent to the head of household's address when your child's account balance is low. If you would like to receive a reminder, go to Family Access, click on "My Account", and click the check box next to "Receive Emails when Food Service balance is..."

Going Through the Lunch Line

Students will select the items they would like for a meal. At the cashier station at the end of the line they must:

1. Enter their 5 digit PIN number and press Enter
2. Say their first and last name

Students should not share their PIN number with anyone.

Student PIN numbers can be viewed in Family Access on the Food Service tab in the "Weekly Purchases For:" box—"Key Pad Number."

Menus

Monthly breakfast and lunch menus are posted on the District web site. They can be accessed by clicking the "Lunch Menus" option under Site Shortcuts.

Meal Options
