**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

### SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP or Section 504 Plan. An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act. A Section 504 Plan is developed to provide reasonable accommodations for a child who meets the definition of a qualified person with a disability under Section 504 of the Rehabilitation Act of 1973.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**Three Conditions Are Required For Making Adequate Yearly Progress (AYP)**

1. At least 95.0% Tested for Reading and Mathematics for the All Group and Subgroups
2. At least 40.0% Meeting/Exceeding Standards for Reading and Mathematics for the All Group, and at least 37.0% for all Subgroups to compensate for error in measurement for smaller subgroup sizes, or meet Safe Harbor requirements\*\*\*
3. At least 88.0% Attendance Rate for Non-High Schools or at least 65.0% Graduation Rate for High Schools

\* Includes only students enrolled as of 9/30/02.

\*\* Safe Harbor Targets of 37% or above are not printed.

\*\*\* Subgroups with fewer than 40 students are not reported. Safe harbor only applies to subgroups. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

**Eugene Field Elementary School  
2003-2004 School Improvement Plan Summary**

It is the mission of the faculty and staff at Eugene Field Elementary School to encourage, assist, and guide students in reaching their academic and social potential. Eugene Field Elementary School will:

- Create an environment where all students improve their abilities to reason and communicate effectively
- Develop responsibility and respect for self and others
- Create a team effort where it is the combined responsibility of the home, school, and community to help every student grow toward their potential in school
- Foster a desire to become a lifelong learner

**School Communication**

Frequent communication remains a priority at Eugene Field. School Improvement is addressed in the principal's monthly newsletter. Goals and outcomes for each grade level are shared during Parent Orientation Night. In addition, means that are used to communicate to our parents include progress reports, report cards, phone calls, conferences, open houses, PTA Events, and opinion surveys. Field continues to update its website to inform parents and the community of school events and information.

**School Improvement Team**

The Eugene Field School Improvement Team consists of all K-6 teachers, special service teachers, and the principal. The team annually analyzes the results at grades two and six from the Stanford Achievement Tests. Grades three, four and five results are also analyzed from the ISAT Tests. The team reviews the current school improvement plan and various assessments to help establish school goals for the upcoming school year. These are Eugene Field's school improvement accomplishments for the 2002-2003 school year:

**School Improvement Successes**

Continued growth and successes with the Everyday Math Program (school-wide)	Participated in Read Across America activities. The Cub Caravan visited Eugene Field to stress the importance of reading.
Aligned classroom activities with grade level expectations	Upgraded and practiced school security plan
Everyday Math in-service for all teachers	Analyzed Test Scores
Purchased math manipulatives and supplies to aid instruction	Hosted Family Reading and Math Night
Tutors and Clinical students utilized from ISU	Continued School Wide Discipline and Incentive Plan

**School Improvement Plans for 2003-2004**

Two areas of improvement will be addressed in the 2003-2004 Field Elementary School Improvement Plan.

**1) Student Achievement:** Field will focus on improvement in the area of Reading. It is the goal of Eugene Field that 60% of all 3<sup>rd</sup> and 5<sup>th</sup> grade students meet or exceed on the 2003-2004 ISAT Reading Tests. Eugene Field will focus on reading strategies provided by the Summer Bridge program and examine Guided Reading and Balanced Literacy programs.

**2) Family Involvement:** Field will continue to implement strategies and programs to increase parent and community involvement. Increasing attendance at PTA meetings and initiating an all school Math and Reading Night are key areas of focus. The Students First Committee will continue to meet to address school budget issues.
