**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects included in your school.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP or Section 504 Plan. An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act. A Section 504 Plan is developed to provide reasonable accommodations for a child who meets the definition of a qualified person with a disability under Section 504 of the Rehabilitation Act of 1973.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**Three Conditions Are Required For Making Adequate Yearly Progress (AYP)**

1. At least 95.0% Tested for Reading and Mathematics for the All Group and Subgroups
2. At least 40.0% Meeting/Exceeding Standards for Reading and Mathematics for the All Group, and at least 37.0% for all Subgroups to compensate for error in measurement for smaller subgroup sizes, or meet Safe Harbor requirements\*\*\*
3. At least 88.0% Attendance Rate for Non-High Schools or at least 65.0% Graduation Rate for High Schools

\* Includes only students enrolled as of 9/30/02.

\*\* Safe Harbor Targets of 37% or above are not printed.

\*\*\* Subgroups with fewer than 40 students are not reported. Safe harbor only applies to subgroups. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## Glenn Elementary School Report Card Summary

In the fall of 2000, the staff of Glenn School met to create a mission and vision statement. This statement is reviewed by the staff each year and revised as needed.

*The Glenn Elementary School mission is to provide a safe, respectful learning environment for children and to recognize and appreciate the diversity in students in terms of culture, language, ability and learning style.*

*This will be accomplished through:*

- *Quality educational experiences for students*
- *Professional development opportunities for staff*
- *Fostering a sense of community among all*
- *Encouraging parents to participate in their child's education*
- *And providing a caring, nurturing environment for all.*

*It is our vision to provide the students at Glenn School with a variety of learning experiences that will enable them to develop into responsible citizens and life long learners.*

### **Goals**

The Glenn staff has identified two goals for the school year. They are promoting Diversity with all stakeholders and Student Success by addressing the needs of our diverse student population.

The action plan we have developed includes the following activities:

#### **Promoting Diversity**

Recruiting qualified minority staff members  
Staff in-service training on diversity  
Expansion of our Diversity committee to include students and parents  
Increase the number and type of diversity related activities and events held during the school year

#### **Student Success**

Provide student-tutoring services and after-school homework help  
Investigate other sources of tutoring  
Provide a late bus for students from low-income housing areas  
Schedule an Open House/ Curriculum Night for all parents  
Increase the number of support options available to Glenn CARES Team  
Provide additional support to those students not qualifying for current district programs

Goals for the 2003-04 school year as identified by our staff:

Improvement of student achievement in Spelling  
Diversity
