SCHOOL
REPORT
CARD**

GRADES : K 1 2 3 4 5 6

State and federal laws require public school districts to release school report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION												
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	92.2	1.6	4.5	1.6	0.0	7.0	0.0		0.0	10.6	96.1	243
District	79.8	12.8	4.0	3.3	0.1	19.5	1.3		0.2	12.9	95.4	10,564
State	58.6	20.7	17.0	3.6	0.2	37.9	6.3		1.9	16.4	94.0	2,044,539

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		AVERAGE CLASS SIZE (as of the first school day in May)						STAFF-TO-STUDENT RATIOS

Most teacher/administrator data are not collected at the school level.

* Data based on No Child Left Behind (NCLB) definition.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2001-02 (Percentages)

REVENUE BY SOURCE 2001-02				EXPENDITURE BY FUND 2001-02			
	District	District %	State %		District	District %	State %

	2000 Equalized Assessed Valuation per Pupil	2000 Total School Tax Rate per \$100	2001-02 Instructional Expenditure per Pupil	2001-02 Operating Expenditure per Pupil
District	\$119,220	4.43	\$4,517	\$8,716
State	**	**	\$4,842	\$8,181

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects included in your school.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 3

ISAT Grade 4

ISAT Grade 5

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP or Section 504 Plan. An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act. A Section 504 Plan is developed to provide reasonable accommodations for a child who meets the definition of a qualified person with a disability under Section 504 of the Rehabilitation Act of 1973.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Black														
Hispanic														
Asian/Pacific Islander														
Native American														
LEP														
Students with Disabilities														
Economically Disadvantaged														

Three Conditions Are Required For Making Adequate Yearly Progress (AYP)

1. At least 95.0% Tested for Reading and Mathematics for the All Group and Subgroups
2. At least 40.0% Meeting/Exceeding Standards for Reading and Mathematics for the All Group, and at least 37.0% for all Subgroups to compensate for error in measurement for smaller subgroup sizes, or meet Safe Harbor requirements***
3. At least 88.0% Attendance Rate for Non-High Schools or at least 65.0% Graduation Rate for High Schools

* Includes only students enrolled as of 9/30/02.

** Safe Harbor Targets of 37% or above are not printed.

*** Subgroups with fewer than 40 students are not reported. Safe harbor only applies to subgroups. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

HUDSON ELEMENTARY SCHOOL
School Improvement Plan Summary

At Hudson Elementary School our primary goal is to create an environment that challenges and fosters growth in each student so that they develop to their highest individual potential. Our focus is on the whole child's academic, social, physical and emotional development. We recognize and appreciate the diverse strengths and needs of all of our students. It is our mission to provide our students with a quality twenty-first century educational experience as we incorporate state learner standards with our district's curriculum in the lessons we teach.

During the school year our School Improvement Team and faculty analyze standardized test results, informal teacher assessment information and authentic assessment pieces. The standardized assessments that have been analyzed include the Illinois Standards Achievement Test (ISAT) for grades three, four, and five; the Standard Achievement Test (SAT) for grades second and sixth and the Naglieri Ability Test for grade one. Additionally, teacher observations and the daily work of our students are evaluated and recognized as important data for our evaluation and school improvement planning. The results of our analysis indicate that overall the students at Hudson Elementary are performing above the district and state averages. It is believed that our on-going review of instructional methods and strategies is necessary to enhance the progress of our students. With all this in mind, we evaluate our teaching methods and the content of our instruction. After careful consideration of all available data the following school improvement plan was developed for the 2002- 2003 school year. Although one goal was selected as our focus for this year all educational areas are important and continue to be evaluated and improved.

Goal: To increase the number of students meeting or exceeding state standards in the area or writing.

- Provide the faculty with the latest teaching strategies and methods of improvement in writing
- Organize, review and revise our new all school writing portfolio system
- Promote / encourage / motivate our students to write by conducting an all school assembly with a guest author
- Initiate an after school writing tutoring program for students needing remedial or additional assistance with writing skills
- Explore the ISBE Website for writing lessons to reinforce writing skills at all grade levels
- Continue to develop our guided reading program
- Review the alignment of our writing activities with state goals
- Share writing portfolio information with parents during a student lead conference time
- Develop the portfolio system so that it is on-going from grade level to grade level
- Engage students in self assessments utilizing rubrics that outline the required grade level expectations for writing

Communication with parents and the community is important to the school improvement plan at Hudson Elementary. Our school newsletter, the *Jaguar Journal*, highlights the events, programs and services provided by our school. It is published monthly in conjunction with the PTO newsletter. Our newsletter and other announcements can also be accessed by our web page. Phone calls, email, and notes home are often used by teachers and the principal to inform parents about procedures, events, discipline, and accomplishments of our students. Progress reports, report cards, parent / teacher conferences and Curriculum Night provide valuable information to parents regarding the progress their child is making. Monthly PTO meetings are held and opinion surveys utilized to assist with home / school communication. We believe that communication and working together are essential in providing students with a quality education.
