HUDSON, ILLINOIS**

**ILLINOIS
SCHOOL
REPORT
CARD**

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	90.8	0.8	0.0	0.0	0.0	8.3	9.6	0.0		0.0	7.4	96.9	240
District	75.1	12.1	4.7	3.8	0.1	4.3	23.8	2.1		0.1	15.4	95.0	11,760
State	55.6	20.0	18.7	3.8	0.2	1.8	40.0	6.6		2.2	16.0	94.0	2,075,277

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2004-05 (Percentages)

REVENUE BY SOURCE 2004-05				EXPENDITURE BY FUND 2004-05			
	District	District %	State %		District	District %	State %

OTHER FINANCIAL INDICATORS				
	2003 Equalized Assessed Valuation per Pupil	2003 Total School Tax Rate per \$100	2004-05 Instructional Expenditure per Pupil	2004-05 Operating Expenditure per Pupil
District	\$135,452	4.43	\$4,514	\$8,056
State	**	**	\$5,366	\$9,099

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

Caution: Data for 2004-05 should not be compared to data for 2005-06 because substantial changes were made to the state test in 2005-06 when testing in reading and mathematics was expanded to include all grades from grade 3 through grade 8. In 2004-05, such testing was limited only to selected grades. Although there were no changes in high school testing, data in high school report cards at the state level (and also at the district level for unit districts) are not comparable between the two years because of changes in elementary school testing mentioned above.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT. Data for 2004-05 in reading and mathematics for grades 4, 6, and 7 are not available because testing in these subjects for these grades began in 2005-06.

ISAT | **Grade 5**

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Students with Disabilities														
Economically Disadvantaged														

The four conditions for making Adequate Yearly Progress (AYP) are:

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 47.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 47.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 47.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 89% attendance rate for non-high schools and at least 69% graduation rate for high schools.

* Includes only students enrolled as of 5/01/2005.

** Safe Harbor Targets of 47.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

It is the mission of the faculty and staff at Hudson Elementary School to provide our students with a quality twenty-first century educational experience as we incorporate learner standards with our district's curriculum in the lessons that are taught. Our focus is on the whole child's academic, social, physical and emotional development.

School Communication

Communication on a regular basis with the families of our students and the public in general is a key component of our school improvement plan. Information will continue to be provided through a variety of methods that will include, but not be limited to: use of the Hudson School website, monthly newsletter from the office, Student Parent Handbook, newsletters and notes sent home by teachers and building administrator, progress reports, open house, parent-teacher conferences and phone/email contacts.

School Improvement Team

The Hudson School Improvement Team consists of all K-5 teachers, special service teachers, and the principal. The team annually analyzes the results at grades two from the Stanford Achievement Tests. Grades three, four and five results are also analyzed from the ISAT Tests. Local assessments from SAT10 in the areas of Language Arts and Math are also utilized. The team reviews the current school improvement plan and various assessments to help establish school goals for the upcoming school year. These are Hudson's school improvement accomplishments for the 2006-2007 school year:

School Improvement Successes

Added ISU reading tutoring sessions after school to aid students with basic reading and math skills.	Held an All-School Reading Incentive Program based on a "Super Hero" theme in January.
Instituted "The PrinciPAL" reading program for targeted students in grades 1, 2 and 3.	Held a Love and Logic parent session on discipline skills.
Instituted the "Star Lifter" mentoring program for students.	Analyzed test scores and local assessment scores.
Purchased math and language arts materials and supplies to aid instruction.	Continued an after-school program to raise student achievement for identified students (3 rd -5 th) as they prepared for taking the ISAT tests.
Utilization of parent volunteers in K-3 rd grade classrooms including training in the Step Up Reading Program.	Continued School Wide Positive Behavior Plan (PBIS) Program.

School Improvement Plans for 2007-2008

The areas of improvement that will be addressed in the 2007-2008 Hudson Elementary School Improvement Plan will be under the two categories: Student Achievement in Language Arts and Student Support.

- 1) **Language Arts:** Hudson Elementary will focus on improvement in the area of Reading. It is the goal of Hudson Elementary that 70% of all 3rd and 5th grade students meet or exceed on the 2007-2008 ISAT Tests for reading. Hudson Elementary will focus on reading strategies to improve instruction for all students. This will be a continuation focus from the 2006-2007 school year.
A Reading Night for parents will be held in the Fall of 2007 to help communicate the teaching of needed skills at home so that parents will be able to support the district reading curriculum taught. The Step-Up program will be continued in the kindergarten and added to the first grade classrooms to provide needed reinforcement for building a strong foundation in reading. Successful strategies and programs such as the PrinciPAL program and after-school support program will be continued.
- 2) **Student Support:** Hudson Elementary will focus on improvement in the area of providing student support for those who are struggling academically, socially and/or behaviorally.
The "Star Lifter Program" will be continued. This program targets students who are struggling with emotional and social needs as well as areas in the academics. The program "Love and Logic" will continue and follow-up sessions will be held for parents and staff to attend. The PBIS program will continue to provide a strong school-wide positive environment for all students and staff.
