REPORT
CARD**

GRADES : PK K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	65.2	30.1	3.1	1.4	0.0	0.2	37.9	0.0		0.0	40.2	94.9	488
District	75.1	12.1	4.7	3.8	0.1	4.3	23.8	2.1		0.1	15.4	95.0	11,760
State	55.6	20.0	18.7	3.8	0.2	1.8	40.0	6.6		2.2	16.0	94.0	2,075,277

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

State	13.0	49.3	50.6	1.6	3.9

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2004-05 (Percentages)

REVENUE BY SOURCE 2004-05				EXPENDITURE BY FUND 2004-05			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$71,886,587	73.4	58.2	Education	\$64,942,220	68.9	72.2

				TOTAL	\$94,279,218		

OTHER FINANCIAL INDICATORS				
	2003 Equalized Assessed Valuation per Pupil	2003 Total School Tax Rate per \$100	2004-05 Instructional Expenditure per Pupil	2004-05 Operating Expenditure per Pupil
District	\$135,452	4.43	\$4,514	\$8,056
State	**	**	\$5,366	\$9,099

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

Caution: Data for 2004-05 should not be compared to data for 2005-06 because substantial changes were made to the state test in 2005-06 when testing in reading and mathematics was expanded to include all grades from grade 3 through grade 8. In 2004-05, such testing was limited only to selected grades. Although there were no changes in high school testing, data in high school report cards at the state level (and also at the district level for unit districts) are not comparable between the two years because of changes in elementary school testing mentioned above.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT. Data for 2004-05 in reading and mathematics for grades 4, 6, and 7 are not available because testing in these subjects for these grades began in 2005-06.

ISAT | **Grade 5**

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2006 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2006-07 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2006-07 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Economically Disadvantaged	97.6	Yes	97.6	Yes	60.3		Yes	80.6		Yes				

The four conditions for making Adequate Yearly Progress (AYP) are:

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 47.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 47.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 47.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 89% attendance rate for non-high schools and at least 69% graduation rate for high schools.

* Includes only students enrolled as of 5/01/2005.

** Safe Harbor Targets of 47.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

It is the goal of the staff at Oakdale Elementary to offer a safe and respectful learning environment, appreciate diversity, keep children first, develop a personal responsibility for learning and behavior, assist students to become productive citizens, lead children to achieve to their greatest potential, and encourage a sense of community among students, staff, and home. In our efforts to do this, we offer numerous resources and instructional practices to our students. However, as we develop and implement a school improvement plan, we must narrow our focus. Over the past couple of years, we have made reading/language arts and math our top priorities.

For the 2005-2006 school year, Oakdale Elementary School made great improvements. In the area of reading, we saw a 15.1% increase in the number of students who scored in the meets or exceeds categories on the ISAT. In math we also saw good gains, having 11.7% more of our students score in the meets or exceeds categories. We are very proud of our students, staff, and parents for helping us grow and achieve these gains.

During this current school year, Oakdale has continued with a school improvement focus on reading and math skills.

Reading/Language Arts

- Students will participate in a school-wide Drop Everything And Read (D.E.A.R.) day once a month, where each class will select a 15 minute block of time to read for pleasure, focusing on a different genre each month.
- The staff will participate in a book share, where they can learn more about new library resources, as well as learn from each other about quality literature selections.
- Staff members will also share the most effective ways to incorporate Daily Oral Language (D.O.L.) into their instructional day.
- Title I Family Reading Nights will be held twice a year to increase awareness of the importance of reading.
- Author W. Nikola-Lisa will visit our school in April 2007 to instruct the children on writing books and to work with the staff on ways to continue to improve writing instruction. During the time leading up to this special day, students will also be encouraged to become authors by writing their own stories, poems, or books. Throughout the Author Day, students will attend various "author" stations and/or activities.
- In an effort to foster a love of reading in our students, "Buddy Classes" will read together at least monthly.
- Students will spend time each month reading in the Oakdale Reading Room to increase their exposure to various types of genres of literature and to develop a love of reading.
- Students will participate in a school-wide reading incentive program to increase the amount of time that they spend reading. If the designated number of minutes/pages is reached, all students will participate in a special activity or incentive.

Math

- We continue to score well in math on the ISAT. We would like this to continue. To accomplish this, both new and experienced staff will participate in an EveryDay Math workshop to review/learn the best ways to utilize the district math curriculum and cover the Illinois State Learning Standards during instruction. This will also help to remind all of our staff of the importance of strong instruction in the area of math.
- Staff members will spend time discussing the most successful ways of incorporating daily math practice activities into instruction.
