**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

## SCHOOL DISTRICT FINANCES

### TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

### EXPENDITURE BY FUNCTION 2005-06 (Percentages)

REVENUE BY SOURCE 2005-06			
	District	District %	State %
Local Property Taxes	\$71,595,325	72.6	58.8

OTHER FINANCIAL INDICATORS				
	2004 Equalized Assessed Valuation per Pupil	2004 Total School Tax Rate per \$100	2005-06 Instructional Expenditure per Pupil	2005-06 Operating Expenditure per Pupil
District	\$135,730	4.51	\$4,693	\$8,245
State	**	**	\$5,567	\$9,488

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**OVERALL ILLINOIS ALTERNATE ASSESSMENT (IAA) PERFORMANCE**

IAA scores in the Progressing and Attaining performance levels count the same, respectfully, as scores on other state assessments that meet or exceed Standards.

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

**ISAT Grade 6**

**ISAT Grade 7**

**ISAT Grade 8**

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**ILLINOIS ALTERNATE ASSESSMENT (IAA)**

The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate. The table below presents the percentages of student scores in each of four performance levels.

- Level 1 -- Attempting - Student work does not demonstrate progress in the knowledge and skills in the subject through connections to the Illinois Learning Standards. Students do not generalize their knowledge and skills.
- Level 2 --Emerging - Student work demonstrates limited progress in the knowledge and skills in the subject through minimal connections to the Illinois Learning Standards. Students exhibit an emerging ability to generalize their knowledge and skills.
- Level 3 -- Progressing - Student work demonstrates moderate progress in the knowledge and skills in the subject through minimal connections to the Illinois Learning Standards. Students exhibit an emerging ability to generalize their knowledge and skills.
- Level 4 -- Attaining - Student work demonstrates extensive progress in the knowledge and skills in the subject through multiple connections to the Illinois Learning Standards. Students exhibit a broad ability to generalize their knowledge and skills.

## 2007 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2007-08 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2007-08 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		55.0			55.0			90.0		72.0

<b>Economically Disadvantaged</b>	100.0	Yes	100.0	Yes	60.1		Yes	70.8		Yes				

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2006.

\*\* Safe Harbor Targets of 55.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

**PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT**

Parkside Junior High School is committed to challenging students of all ability levels and to empower them to be life-long learners. Our mission is consistent with that of our district, which is to ensure that all students have the opportunity to develop to their highest potential. The vehicle we use to accomplish this goal is our School Improvement Plan. The school improvement process is a collaborative one, led by our Building Leadership Team, where we analyze data to determine students' strengths and weaknesses and then create an action plan focusing on increasing student achievement and maintaining ongoing school improvement. Our analysis of the 2006-2007 achievement data clearly directed us to a focus on mathematics. Driven by the belief that all students can learn and can take charge of their learning, we have continued to focus on differentiated instructional techniques to encourage and enable teachers to reach all ability levels and learning styles.

For the 2007-2008 school year, we decided to maximize our efforts toward one goal, which is to increase the percentage of all students who meet and/or exceed on ISAT; in particular, we targeted our low-income population, as well as our special education students, working toward a level of 62.5% meeting and/or exceeding in 2007-2008 and then at 70% in 2008-2009. We have developed several activities to enable our students to meet this goal. They include the following:

- Utilize the after school program to focus on reading and math instruction with the use of Python Partners
- Pre-assess students in order to ensure that all students are being challenged
- Use flexible grouping to ensure that students have a variety of instructional experiences.
- Engage students in a "One Book, One School" kick-off where all PJHS students are reading (or being read) and discussing the same book in an effort to establish a literate community environment
- Systematically engage students in monthly reading strategies in all content areas, using common, grade-wide materials
- Use of the 30 minute study hall opposite lunch as an opportunity for at-risk students to receive additional reading instruction
- Implement "data days" where teams devote time to the analysis of achievement data in order to implement necessary and timely interventions
- Ensure that state standards are driving curricular and instructional decisions by holding teachers accountable for evidence of this approach
- Provide ISAT training to teachers to enable them to adequately prepare students for the test
- Students will track their assessment data, including SAT 10, Gates-McGinite, and quarterly assessments to celebrate successes and to determine necessary improvement strategies.

Teams and departments report regularly to administration via meeting notes and faculty meeting presentations so that all are accountable for supporting our School Improvement Plan in an effort to enable all students to achieve personal excellence.
