Serving Line Protocol - Help Expedite the Process

Bring your student ID card to breakfast and lunch!

Students that bring their ID card to breakfast and lunch go directly through the line. If you discover you don't have your card, a temporary card for that day may be picked up between Lines 2 & 3.

Bring your ID with you so you have more time to eat!

After making meal selections, present ID to cashier at the end of the serving line. The cashier will scan the ID card and verify the student's identity. Students should not share their ID card with anyone.

Food Service Account Balance

Before school starts on **August 16** please check your student's food service account balance in **Campus Parent Portal**.
