What is the purpose of this club?

How would this club fill a need that isn't already addressed at NCHS?

How many students are already interested in the club at this time?

(OVER)

What is the proposed budget for the club and how would you raise the money to support the organization?

What usage of school facilities will be needed? Include details for where and when.

How will you promote student interest in this club so that it will become a lasting part of NCHS?
