A couple other frequently asked questions:

Q: Does my child get to ride a bus to school? **A-**The only areas bussed to Prairieland are Ironwood, The Landings, & Ironwood Gardens

Q: Do daycares transport to and from school? **A-**It depends on the daycare facility. Some do. You will want to ask them as you are considering their program.

Q: Do you have before/after school care at school. **A-**Normal Parks and Rec runs a Before and After school program that is housed at Prairieland. The after school program is very popular so you will want to contact them very soon to get your name on the list.

Q: What supplies does my child/children need? **A-**We have basic supply lists posted on the Prairieland website.

Q: Will my student have a computer? **A-**Yes, every K-2nd grader will have a tablet assigned to them and every 3rd-5th will have a chromebook that will stay at school except if we are expecting an e-learning day (ex: snow and cold days).
