Team Assignments, Exploratory Classes & Class Meeting Times

Your child's team and their exploratory course is viewable in Infinite Campus as of August 16, at 5:30 p.m. If you notice an error, please contact Mr. Hill or Ms. France; our emails are above.

While the class order is accurate, the meeting times will be adjusted to align with "home life." While at school, it is typical to begin class at times like 10:24 a.m., 1:21 p.m. or 2:59 p.m. but that is not how family life works. Therefore, class meeting times and information about synchronous and asynchronous times will be shared via an Infinite Campus email no later than the evening of August 20.

An August Like None Other – *Our mindset matters.*

Kingsley Families,
 This upcoming week, the Kingsley staff will be training and planning to make an unusual start to the school year the best possible start for students given these unique times.

I will be reminding staff, and am asking you to consider that, as adults, our mindset matters to our children. If the things we tell ourselves are positive and innovative *then* our thoughts and words will be positive. Your child(ren), our student(s) will benefit from that positivity.

While I fully acknowledge the challenges of these times, I will choose to say to myself and others things like:
 ->Together, we rise. ->We are problem solvers, innovators. ->Students first, always ->I choose hope.

Although we are apart, Kingsley staff and I are here to help your child grow and support your family. Emails for the principal team are in the header and we may be reached via phone Monday-Friday, 8:30-3:30 at 309-557-4407.

Be well,
 Stacie France
 Principal, NBCT
