

Most people are thinking of the last week of school and summer vacation but not us! We're already getting excited about next school year!

Save this paper for future reference. Important summer dates are below.

What if you lose this paper? No worries! Visit Kingsley website to download a registration packet.

## Summer Dates to Know

To improve energy efficiency, HVAC will be installed during the summers of 2019 and 2020. This may impact building accessibility during the summer. Please watch our website and Facebook page for updates.

## Interested in Cross Country, Softball or Baseball?

To try out for a sport, all Cavalier athletes need to complete the online registration process via the Kingsley athletics website, starting June 1, 2019. <https://il.8to18.com/kingsleyjhs>

A current physical will need to be on file for participation. Physicals are valid for 395 days. You can drop off the physical during normal office hours over the summer.

Information regarding tryouts will be available on both the Kingsley athletics website and the Kingsley main website.

## Online registration vs. Walk in registration

If online registration is *not* complete by August 8, please come to Kingsley for walk in registration on August 8 from 3:00-6:00 p.m.

Many families also use this time to practice walking schedules, drop off school supplies and decorate lockers. Watch our Facebook page in late July for locker decoration tips and things to avoid.
