Drills - Another name for practice

Our staff and students will practice multiple emergency procedures during September. Our focus during drills is to be educated about keeping students and staff safe in any situation that we may face together.

"A player who practices well, plays well." -Coach John Wooden

Before School Supervision

Did you know that we have a before school program for families who need to drop their Cavalier off before 8:20a.m. regularly? Call Ms. Mattocks at (309) 557-4861 to find out more.

If students not enrolled in the before school program and are dropped off before 8:20 a.m., there is no adult supervision.

A Note from NCHS & NCWHS about High School Football Games

High school football games are great events for junior high students to attend to start seeing what high school life is like. Junior high students coming to a football game at either NCHS or West must be accompanied by an adult (18 or older). Junior high students without an adult will not be allowed to enter the stadium. We also ask that students not bring bags, footballs, or toys to the game.

Dave Johnson, Principal of Normal West & Trevor Chapman, Principal of Normal Community

Pick Up/Drop off times: Staff is available to supervise students at 8:20a.m. until 3:55p.m.. *If you drop off before 8:20am and are not a part of the before school program, your child will not be supervised by staff. Doors open at 8:20am.*

Pick up/Drop off locations: *Thank you families for prioritizing safety over convenience during pick up and drop off!* The north entrance and the front of the school are the safest pick up/drop off locations. To maximize student safety, do not use the south end where there is significant traffic due to the staff parking lot and the bus lane. Only buses are allowed in the bus lane.

Student Cell Phones *We love catching students doing the right thing!* We have "caught" many students locking their cell phones in lockers and keeping phones out of sight during the school day! #celebratethepositive
If you need to get your child a message during the school day, the school office is happy to relay a message.

Want to join the KJHS Promise Council Shout-out list? [Click here](#) to join.

When we discover a Kingsley student or family has a need, a shout out email is sent to families for help.

Last year, a Kingsley family needed to move out of their home unexpectedly. Through the KJHS Promise Council Shout Out list, we were able to help the family with quarters for laundry, towels and small furniture.
