

The Learning Pit, Remote Learning Survey & Reflection

Thank you to the 312 KJHS families who responded to the U5 Remote Learning Survey! This is new to all of us and your sharing will help us grow!

During the first week of Remote Learning, you shared that 94% of students are spending the ISBE recommended time on learning tasks. Your comments gave us many insights. Common themes follow.

- Teacher-created instructional videos are helpful.
- Email responses have been prompt & appreciated.
- Video conferences help academically & socially.
- Having all items in Google Classroom is helpful.
- Families appreciate teachers' dedication & care.
