Important Info from Hudson School

Kindergarten and First Grade Music Program April 11th at 6:30 p.m.

The K-1 students will be performing "Gettin' Down with Mama Goose." The students will be singing a fun rendition of many favorite classic Mother Goose Nursery Rhymes!

We have had quite a few students arrive past our morning assembly time of 7:40 a.m. Please try to have your student here by that time so they do not miss important announcements.

All School Reward Event

Hudson School has rented out Skate N Place in Bloomington for those students who have had no office referrals (or only one) during the last grading period. Entry fee for students will be paid for but \$3 rental of skates will be up to the parents to pay. (Cash only) Students may bring their own skates. Family members may join their student but will have to pay for their own entry fee and skate rental. There will not be any other skaters but Hudson ones during the 4:00 to 6:00 p.m. roller skating. A responsible adult should be in attendance for each student please (you don't have to pay if you don't skate).

Annual Spring Carnival

Once again, our PTO will be hosting a fun evening for families on Friday, April 28th from 5-8 p.m. at our school carnival. There will be food, games, a silent auction and raffle. We thank the many volunteers who help make this event a success each year. Proceeds from this event will go toward the improvement on our playground with the drainage concerns we have been having. Water runs downhill from the blacktop during heavy rains and snow melting right into our playground equipment well. This has caused the area to flood and students have had to be inside for recess on days they ordinarily could be out.

Author Peggy O'Mara has a list of things we parents must remember. She says the way we talk to our children becomes their inner voice....

- One of the best ways to boost children's self-worth is to listen like they matter. Because they do.
- When your children decide to talk to you and share their problems with you, stop everything and listen to them. There is nothing more important than that.
- If your child asks for a cuddle during your household chores, don't say "later". Your chores can wait. A cuddle only takes a few short minutes but a child's memory will keep forever.
- Children need hugs more than they need things. When you are hugging a child, always be the last one to let go. You never know how long they need it.
- Too much love never spoils children. Children become spoiled when we substitute "presents" for "presence".
- Good parenting does not mean giving your child a perfect life. It means teaching them how to lead a good and happy life in our imperfect world.

ADJUSTMENTS TO THIS MONTH'S CALENDAR.....

April 14th and 17th—NO SCHOOL
April 26th— LATE START
