

PTO NEWS

CONGRATULATIONS and THANK YOU to all of our Timberwolves and their families!! Your hard work, generosity and support for Fox Creek through our Fall Fundraiser allowed us to reach our goal this year and earn the Rick Smith Jr. Magic Show!! Whoop Whoop!!!! We had a whopping 150 students participate in the sale, selling an impressive 1151 items for an amazing \$6400 profit! How AWESOME!!! Big congratulations to Madalyn S. in Mrs. Reardon’s class who was our top student seller with 51 items! She has earned the top prize of a special lunch with Mr. Larson. Congrats also go to Mrs. Woodward's and Mrs. Gerharz's classes, who were our top selling classes and have earned VIP seating at the magic show! The magic show will be held on December 13th during the school day.

One way the PTO uses funds and donations is to send ALL of our Timberwolves on Field Trips. All three Fifth Grade classes were able to visit the Challenger Learning Center this past month and participate in a mock launch. In addition to the field trip, they were all gifted with a custom “Class of 2016” t-shirt to commemorate their last year at Fox Creek with us.

Our Box Top collection just finished up and brought in almost 4,000 Box Tops, which equals almost \$400!! Way to go Timberwolves! Keep saving those Box Tops for our spring contest, which will be a classroom contest. Top three classes will earn special treats!

Mark these dates in your calendar!
