# LAPTOP SLEEVES

7B students will NOT be allowed to bring backpacks, messenger bags, or drawstring bags into their CORE classrooms.

Instead, we suggest students use a laptop sleeve to carry their belongings. Most bags (including those w/protective sleeves) fail to adequately protect students' devices. Also, 7B students have all CORE classes in the J-Pod allowing for easy access to lockers. Laptop cases have space for students' folders and pencils making them the ideal choice.

# MARK YOUR CALENDARS

- Walk-In Registration: Aug. 9<sup>th</sup> 3-6 pm
- 1<sup>st</sup> Day of School: Aug. 16<sup>th</sup>
- 100 Caring Adults: Aug. 17 @ 8:45 am
- 7<sup>th</sup> Grade Back to School Night: To be determined (TBD)

Like all students in Eagle Nation, 7B students are expected to be respectful, responsible and safe! Students may earn awards for positive behaviors at regular intervals throughout the year!

## **BRADFORD KEELER-----SCIENCE**

I am excited to begin my 8th year at EJHS this year. I am originally from Naperville, Illinois but moved to the area to attend ISU and was fortunate enough to be hired at this great school. I have some very fun and engaging activities planned for my science classes this year! I love working with this age group of students and can't wait to get to know each and every one of them. In addition to teaching, I also coach 8th Grade Basketball at KJHS. I'm looking forward to another great year!

## **MEGAN NOVOTNEY-----SOCIAL STUDIES**

I can't wait to start another action packed year teaching 7th grade. This will be my 26th year teaching, most of it in Unit 5 schools. I spent my first 15 years teaching at NCWHS and have been teaching middle school at CJHS and EJHS for the last several years. I look forward to teaching you about American History and preparing you to become better readers and scholars. I am married to Scott Novotney (not a doctor ☺), have a 15 year-old daughter named Lauren and a 6-year-old Maltipoo dog named Zuko! I love to shop, watch movies and spend time with my family. I look forward to getting to know all of you this year!

## **SHERYL ROSENBERGER-----MATH**

Welcome 7th graders! This is also my 26th year of teaching in Unit 5 and my 7th year at Evans! I have lived in Bloomington/Normal for all of my life and am a Unit 5 alum. I am married to Tracy and have an 12 year old daughter, Elly, and a 17 year old daughter, Abby. In my spare time I enjoy reading, shopping, watching football, and camping with my family. I am looking forward to a great year on Team 7B encouraging students to love numbers and think mathematically.

## ***CANDY WEHMEYER----LITERATURE AND COMPOSITION***

Welcome to Team Marvel! This is my 26th year teaching and my 4th year teaching alongside the superheroes of 7B. I couldn't be more excited to help you think critically and build your reading skills. In my spare time, I read, write, travel, run, coach cross country, and keep up with my 6th and 9th grade sons. Looking forward to a great year with you.

## ***VICKI STUCZYNSKI----LANGUAGE ARTS***

Hello! Welcome to 7<sup>th</sup> grade! I am extremely excited to begin my 9<sup>th</sup> year of teaching, and second year here at EJHS. I grew up in the suburbs of Chicago, attended Illinois State for my undergraduate, and was fortunate enough to work as an ELA teacher in both Mahomet (2 years) and in Oak Lawn (5 years). In my spare time, I love to read, listen to music, attend concerts, watch hockey, and spend time with my family. I look forward to exploring the world of language arts with you and helping you express your thoughts and ideas in a variety of ways!
