

# EVANS EXPLORATORY

EJHS EXPLORATORY Team: **MRS. BRENTON / MRS. KINTNER / MRS. OLSON / MRS. TWADDLE / MRS. VOLLHABER**

## Welcome to the EXPLORATORY Department at EJHS

We wanted to take this opportunity to introduce ourselves and welcome you to your EXPLORATORY classes this year. There are numerous options for course opportunities and our team is amazing at creating and designing lessons to allow you to “explore” many career-related fields. An awesome journey awaits you this year and we look forward to having you in our classes. Our combined experiences will allow you to experience technology and design. From visual arts to robotics or business to FACS, we are sure you will find our classes to be interesting, idealistic, and innovative. In order for you to be successful in the EXPLORATORY classes, you will need to have additional supplies outside your team requested supplies. Please bring these your first day to your Exploratory class.

### The **supplies** you will need to have for EXPLORATORY class are:

- ◆ Earbuds or Headphones
- ◆ Kleenex Box
- ◆ Clorox Wipes
- ◆ Hand Sanitizer
- ◆ 1 Folder
- ◆ 2” 3-Ring Binder

### Additionally, for these grades, please include:

#### 6th Grade

Masking Tape  
Colored Pencils  
Erasers

#### 7th Grade

Markers  
Elmer’s Glue  
Lined Paper

#### 8th Grade

Pencils  
Glue Sticks  
Graph Paper

EXPLORATORY courses are more than classes, they are life experiences!

# EXPLORATORY @ EJHS

EJHS EXPLORATORY Team:

**MRS. BRENTON / MRS. KINTNER / MRS. OLSON / MRS. TWADDLE / MRS. VOLLHABER**

## Meet the EJHS EXPLORATORY Team

### **Mrs. Jamie Brenton, FACS**

I teach Family and Consumer Science here at Evans which is sometimes called FACS. I love teaching this course because we get to learn about many different things that will help you as you grow up! When I'm not teaching, I enjoy reading, exercising, and spending time with my friends and family. I look forward to meeting you!

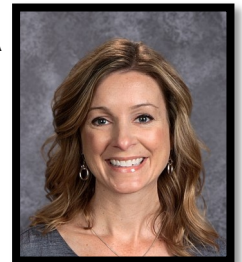

### **Mrs. Jill Kintner, ART/DIGITAL MEDIA**

From an early age I have loved the arts and knew that I wanted to share that passion with others. I am excited to keep challenging my students to grow as artist and digital users. My favorite unit for Art is the Ceramics Unit. For Digital Media it is the Image Manipulation Unit, where students get to use Photoshop and learn how to edit photos. At home I love spending time with my family and friends. I look forward to a fantastic year, Evans is a wonderful place to be!

### **Mrs. Katie Olson, ART/DIGITAL MEDIA**

I am looking forward to teaching both Art and Digital Media again, here at Evans. This is a great school, and I hope you will love it here as much as I do! If you are interested in additional art experiences, I invite you to join Art Club, which I am the sponsor for. Outside of school, I keep busy with my three daughters, walking my dog, and creating artwork of any kind.

### **Mrs. Theresa Twaddle, BUSINESS**

I am excited to be part of Eagle Nation. This is a great place to be! I love the energy and enthusiasm of the Exploratory team, staff and student body. I hope to help you discover your passion here at Evans. I also sponsor the Future Business Leaders club at EJHS. In my free time, I love to spend time with my family and love reading.

### **Mrs. Kathryn Vollhaber, GTT**

Hello Eagle Nation! I'm excited to start yet another incredible school year at Evans! I teach Robotics and App Creation in 8th grade and an Engineering Design class to 6th and 7th grade. All are all really hands-on and engaging classes! In my free time I enjoy spending time outdoors with my husband and our dog Kaylee!

**EXPLORATORY courses are more than classes, they are life experiences!**
