Hello Grove Elementary Families,

We would like to share some important information regarding your registration for the 20-21 school year. This year we will have a very different set up for registration.

1) If you are a current Grove Family and will be returning to in-person or online learning, and you need assistance with registration, please CALL the office on August 3rd between 8 and 3. We will assist you in getting the children registered over the phone. 309-557-4417

2) If you are a new family to Grove, but are moving from a UNIT 5 School, please call and make an appointment. We will be back in the office on August 3rd. We ask that you call on August 3rd and you will be given an appointment during the week between August 4-7. The appointments will be available between 9 and 11 and 1 and 3.

3) If you are a new family to the Unit 5 District and Grove Elementary, you will also need to call on August 3rd to set up an appointment between August 4-7. The same times will be available 9-11 and 1-3.

If your family cannot make the times available work, please let us know and we will make adjustments. The reason we are not having traditional walk-in registration is so that we can control the process to ensure we can help you, as well as keep social distancing in place for everyones’ safety. If you do schedule an appointment, we ask that you wear a mask the entire time. We are also asking that only ONE person come to register the children.

Thank you for all of your help and patience with all of these processes during these unique and challenging times!

Sincerely,
Mrs. Edwards
Principal
