Hello Towanda Elementary Families,

This is Mr. Vogel with some important information regarding your registration for the 2020-21 school year. It is very important to note that whether you are a returning family, or brand new to our school, we are asking all families that need help in person to set up an appointment. This is so we can control the process to ensure we can help you, as well as keep social distancing in place for everyone’s safety.

1. First and foremost, we are encouraging all of our families that have had students here before to complete all their registration online if at all possible. If you cannot do this for any reason, please contact Lori Hanson at hansol@unit5.org to set up an appointment.

2. If you are a brand new family, you are able to complete registration online as well. To begin the process please go to our website at www.unit5.org/Domain/24 The registration links can be found by scrolling down, under announcements on the right of the homepage.

3. We are asking that if you need to come into the school at any time for any reason, that you please wear a mask at all times.

Walk-in registration appointments will be during the following time:

August 4: 3:00p.m. - 6:00p.m.

If you are not able to make the above listed time for walk-in registration, please email Lori Hanson at hansol@unit5.org or call the main office at 557-4426 to schedule another time.

If you are a current family and you know of a new family that has moved into our area, please pass this information along. It will also be posted on our school website at www.unit5.org/Domain/24

Thank you for all of your help and patience with all of these processes during these unique and challenging times!

It is ALWAYS A Great Day to be A Bulldog….regardless of times! Thanks for letting our school community serve your family!

Sincerely,
Mr. Scott Vogel
Towanda Elementary School Principal
