1. **Spring activity fund audits**  
   a. Mr. Hoerr presented the Spring activity fund audit results to the Committee. This audit resulted in the lowest number of findings since starting audits in the Fall of 2014. Mr. Hoerr pointed out that the decrease in the number of findings from period to period has been leveling off. To significantly decrease the number of findings further, Administration will need to focus in on specific areas of interest.

2. **School funding update**  
   a. There was an open discussion focused on what might happen at the State level with K-12 funding.

The meeting adjourned at 5:41 PM.

The next meeting is scheduled for August 9, 2017 at 4:30 PM at the Unit Office.
