“Stop crying or I’ll give you something to cry about.”
“Don’t you ever listen?”
“Just be quiet.”
“You’re being ridiculous.”
“If you don’t come, I’m going to leave you.
“Stop crying or I’ll give you something to cry about.”
“What’s wrong with you?
“You’re fine!”
“Why do I have to tell you everything 100%
“That’s the way I was raised and I turned out fine.”
“You can’t do
“You make me so mad!”
“Go away!”
“Be quiet or go to your room.”

We are all doing the best we can to try to give our children with the best life possible. We pull from our life experiences to do so. You know what? Being a parent is hard. There is no perfect parent, there is no perfect child and there is not a clear right or wrong answer.

Life is better when you have a community around you to help encourage you, give you advice, or let you blow off steam.

Let us be your village!
